No phone after 9 pm: 7 nights

Tick the night. Write the number of times you reached for it. Honesty is the only rule.

PROTECTED

NIGHT	RULE	REACHED FOR IT	WENT BACK	DONE
Night 1	Just notice			☐
Night 2	Phone out of the bedroom			☐
Night 3	Shield the three worst apps			☐
Night 4	One Pass, on purpose			☐
Night 5	Replace, do not just remove			☐
Night 6	No Pass night			☐
Night 7	Look at the heatmap			☐

Instead of the phone, I will (same order, every night):

1. _____
2. _____
3. _____

Night 7: what the week told me

_____

_____

_____

Honest Little Apps · NHS sleep guidance: screens out of the bedroom, the same routine in the same order before bed, no caffeine 4 hours before. A shield you choose beats willpower you do not have at 11 pm. FocusPass (iPhone) counts every Go Back; this sheet does the same on paper.
